

The Texas Honey Bee Education Association

is a charitable research and education organization whose mission is to:

- IMPROVE BEEKEEPERS' EDUCATION,
- SUPPORT HONEY BEE RESEARCH, AND
- ADVANCE PUBLIC AWARENESS OF HONEY BEES.

THBEA IS A
CONTROLLED
ENTITY OF TBA

Support

THBEA is supported by donations from individuals and organizations who share our mission. You can join us by:

- Donating via our website at THBEA.COM. We accept monthly and one time donations.
- Choosing "Texas Honey Bee Education Association" on smile.amazon.com.
- Giving appreciated public securities. Contact us at info@thbea.com for details.
- Purchasing the honey bee themed specialty license plate at txdmv.gov.

We are organized under section 501(c)(3) of the Internal Revenue Code, and your donations may be tax-deductible.

Thank you for your support!

2020/2021

2020-2021 FOCUS

For the next two years, the THBEA board has its focus on activities to improve public awareness of the contribution honey bees make to society.

Look for materials and videos at THBEA.COM describing how your individual actions can improve honey bee habitat, nutrition, and survival.

THBEA desires to partner with like-minded organizations to increase the reach of our public education and advocacy efforts.

EDUCATION

TEXAS YOUTH

- **beekeeping scholarships and mentoring programs with Texas Beekeepers Association (TBA) member associations**
- **financial support for the TBA Honey Queen Program**
- **agriculture in the classroom support materials**

TEXAS BEEKEEPERS

- ***Newbees' Guide to Texas Beekeeping* information pamphlet**
- **educational book and video lists**
- **other resources at THBEA.COM**

THE PEOPLE OF TEXAS

- ***How You Can Help Honey Bees* pamphlet with specific actionable items**
- **presentations by beekeepers at civic events**
- **honey bee information booths at agricultural and public events**

RESEARCH...

Beginning in 2021, THBEA will partner with organizations focused on applying research to the problems facing beekeepers and the beekeeping profession.

ADVOCACY...

Beginning in 2020, THBEA will partner with organizations to enhance the awareness of the contribution honey bees make to society and to local economies.
